TRADE DIRECTORY 2016**

**THE TORONTO TRUCKING  
ASSOCIATION**

**TRADE DIRECTORY**

**April 2016**

## **TORONTO TRUCKING ASSOCIATION TRADE DIRECTORY 2016**

The Trade Directory has been put together to help TTA members identify supplier members of the Association and to get a better understanding of the specific goods and services they provide.

While the final decision of which supplier you use for any goods and service must be yours to make, we encourage all TTA members to do business with other TTA members whenever possible.

The following list describes all of the product /service categories that appear in the Directory. All categories appear in the directory alphabetically.

- Advertising, Promotion & Graphics
- Auctioneers
- Communications
- Computers/Software
- Contractors
- Consulting/Legal/Financial Services
- Driver Personnel/Staffing Requirements
- Freight Broker
- Fuel Supplier/Lubricants
- Insurance
- Logistics Process Outsourcing
- Marketing
- Media
- Mobile Wash
- Security
- Tires
- Towing
- Trailers: Distributor/Manufacturer/Components, Parts & Supplies
- Truck Collision Repair and Painting
- Truck Distributor/Manufacturer/Components, Parts & Supplies
- Truck Refrigeration

Type of Service: Onboard Computing & Mobile Communications

Co. Description:

PeopleNet is exclusively focused on providing innovative and integrated onboard computing and mobile communications systems to improve North America's trucking industry's fleet management. Its products are used by nearly 1,500 truckload, LTL, private, and service fleets in the United States and Canada, including several Fortune 500 companies. Reputed for its customer-driven technological innovation, unparalleled flexibility, and proactive customer care, PeopleNet was the first major technology provider to offer internet-based communications to the transportation industry 15 years ago. Since then, the company has aggressively developed new products that continue to improve fleet management. Industry recognition of the company's leadership includes: Frost & Sullivan New Product Innovation Award, Inbound Logistics Top 100 Award; Food Logistics 100 Top Technology Solutions and Service Providers; Frost & Sullivan Market Engineering Award; and M2M Value Chain Award. PeopleNet is part of Trimble's (NASDAQ: TRMB) international Transportation and Logistics division. For more information about PeopleNet and its products, call (888) 346-3486, or visit [www.peoplenetonline.com](http://www.peoplenetonline.com).

Type of Service: Insurance Company/Broker, Risk Management & Consulting Services, Financial Services

We are a commercial and personal insurance brokerage firm, specializing in coverage and insurance solutions 'that deliver' for the transportation industry. Family owned and operated, we remember what personal service is all about. We feel our role is to act as your risk management & insurance department, working in your best interest, as a true business partner.

We strive to maintain long-term relationships with our clients and there is only one way to achieve that, by being good at what we do, and we are PHENOMINAL at it!

Some of the areas we focus on:

- Fleet Insurance (LTL & Truck Load)
- Single units
- Owner/operators, dumps, vans, straight and flat beds
- Private Fleets & Contract Carriers
- Warehousemen
- Freight Brokers & Forwarders
- Freight Forwarders Errors & Omissions
- Contingent Cargo Insurance
- Fleets of strictly owner/operators
- Bonds
- Group Benefits & Life Insurance

For more information, please visit us on-line at <http://www.hubbardinsurance.com/business-insurance/transportation-insurance.html>

We can also look after your home, auto, cottage, business, and group benefits needs and are centrally located near the 401 & Hwy. 10, (Huronario St.) in Mississauga. Give us a call, regardless of where your coverages are currently placed. Let our team work hard for you too!

Type of Service: Trailer Rental/Leasing Sales, Maintenance/Repair, Transport refrigeration

Co. Description: Since Trailcon Leasing was established in 1992, it has become a leader in rental and lease equipment, with a trailer fleet of more than 7,000 units that can satisfy any of your logistics and transportation needs. Our fleet includes a wide variety of dry and refrigerated/heated vans from leading North American manufacturers for highway, city or storage use.

Trailcon prides itself on excellent service; it's our #1 priority. Trailcon offers full maintenance service, on our own trailers as well as on over 10,000 customer-owned vehicles in Canada and the United States. Our mobile repair fleet is the largest in Canada, with 75 licensed trailer technicians across Canada and 15 MTO-licensed stations in the Greater Toronto Area. Our 24/7 Customer Response Centre Service is accessible Canada-wide by calling 1-855-ROAD-RPR (855-762-3777), which is answered at any time of the day or night by experienced Trailcon service staff- never a third-party operator. Our mobile repair technicians are available 24 hours a day, 7 days a week to get your business back on the road. Repairs are recorded in our industry-leading fleet maintenance software that includes concise reporting capabilities, allowing you to instantly access information needed for an MTO audit or any other purpose.

Our head office is conveniently located in Brampton, minutes from the 427, 410 and 407 highways. In addition, we have branches in Edmonton, Cornwall and Calgary to service our customers across Canada. Trailcon Leasing, your partner in trailer solutions.
